

*“The Best Roofing Material on Earth”*

# BUCKINGHAM SLATE

BUCKINGHAM Roofing Slate is Hard, Strong and Tough, Uniform in Quality, Free from Streaks and Unfading in Color.

EXPOSED to all weathers, heat or cold, Buckingham Roofing Slate will last as long as the building stands.

BUCKINGHAM Roofing Slate has been taken off buildings seventy-five years old, in a perfect state of preservation.

**Will Outlast The Building**

**Requires No Paint**

**Eliminates Fire Hazard**

**Reduces Insurance Rate**

**Neat and Artistic**

**Cheapest in Long Run**

*Buckingham Slate is Approved by Leading Engineers and Architects Everywhere*

**Allow No Substitution**
